Initial Case Report

Case Report # 2016-00092744

NARRATIVE

The following occurred in the City of Everett.

On 08/12/16 at approximately 1856 hrs, I was dispatched to an assault at Fairfax mental hospital located at 916 Pacific Ave. I was advised via dispatch that a patient was physical and verbal with staff.

When I arrived I made contact with the charge nurse of the ward, who was verbally identified as [REDACTED], who informed me a patient, who was verbally identified as [REDACTED], had a history of violence and today had assaulted a nurse and broken numerous items around the ward.

I was informed by [REDACTED] that at approximately 0400 hrs [REDACTED] had lost his temper and assaulted a nurse, who was identified as [REDACTED], who was an on duty nurse at the time and taking care of [REDACTED]. Later in the day [REDACTED] once again lost his temper and started running around the ward ripping exit signs off the ceiling. I observed several exit signs that had been ripped off the ceiling and the damage was estimated to be approximately \$200 dollars.

I then spoke to [REDACTED] who was an on duty nurse during the incident, who informed me that at 0400 hrs he was walking [REDACTED] down the hall way when [REDACTED] placed his hand on [REDACTED]'s shoulder to guide him in the right direction. [REDACTED] then reached across his body with his right hand and punched [REDACTED] in the left arm and yelled at [REDACTED] he would hit him again if [REDACTED] touched him again.

I also spoke to a witness to the assault who was verbally identified as [REDACTED]. [REDACTED] informed me that [REDACTED] had been violent towards staff for several days and at 0400 hrs [REDACTED] was extremely angry and had already thrown a chair at her. [REDACTED] then went out to the hall way where [REDACTED] tried to escort [REDACTED] to a secure room. [REDACTED] then saw as [REDACTED] struck [REDACTED] in the right arm.

Based upon the statements by [REDACTED], [REDACTED], and [REDACTED] that [REDACTED] had assaulted [REDACTED], an on duty nurse, I determined probable cause to arrest [REDACTED] for assault 3 existed.

Based upon the statements [REDACTED] that [REDACTED] had ripped down exit signs and I observed multiple exit signs damaged, I determined probable cause to arrest [REDACTED] for malicious mischief 3 existed.

I then spoke to [REDACTED] who appeared to be under the effects of sedative drugs. [REDACTED] was conscious and I explained to him he was under arrest for assault 3 and malicious mischief 3. I read [REDACTED] his constitutional rights and he stated he understood and still wished to speak to me.

I obtained written statements from [REDACTED] and [REDACTED].

I placed [REDACTED] in my patrol vehicle and transported him to Snohomish County Jail where he was booked for assault 3 and malicious mischief 3.
